

BLRS BSCOS 2027 - Welcome

Dear **Colleagues**,

For only the second time since 2011, it is our pleasure to invite you to attend the **combined British Limb Reconstruction Society (BLRS) and the British Society for Children's Orthopaedic Surgery (BSCOS) Annual Meeting** which comes back to Sheffield at Sheffield City Hall from 10th to 12th March 2027.

TWO SPECIALTIES. ONE MEETING
Adult trauma, post-traumatic reconstruction, deformity correction, current techniques in limb lengthening, the adolescent hip, paediatric knee, paediatric upper limb, and more. Both of our specialties tackle these complex areas, often treating the same patients and managing their critical transition from paediatric to adult care. For three days in March, our communities come together.

PROGRAMME BUILT AROUND OUR TWO SPECIALTIES
The meeting opens on Wednesday with the BLRS programme alongside the BSCOS research symposium in the afternoon. Open fractures, post-traumatic reconstruction, adult keynote lectures alongside the BLRS Adult Free Papers and BLRS research update about "RAMP" completes day one.
Thursday is our combined day, and it is deliberately built on the themes we share and cross over. Hip preservation, the transition issues of salvage hip reconstruction, joint replacement in the young adult as well as the knee. Then we have the BLRS Adult and BSCOS paediatric free papers, and the Best of the Best Free Papers drawn from both adult and paediatric practice. In addition, tibial plateau fractures, the congenital knee and lengthening nails will complete the day.
Friday belongs to the BSCOS programme: research updates, and the BSCOS Paediatric Free Papers.
Allied Health Professionals have their own sessions running in parallel on day two and three.
Industry sessions and workshops covering the techniques and technologies we use in our combined practices will be available throughout all three days.

AN INTERNATIONAL FACULTY
We are delighted to welcome keynote speakers who bring global perspectives to our shared subjects:

- **Prof Mitchell Bernstein**, Head of Paediatric Orthopaedic Trauma, Montreal Children's Hospital, Canada
- **Milind M Chaudhary**, Ilizarov Director and Surgeon, Akola, India
- **Grainne Colgan**, Trauma & Orthopaedic Surgeon, Dublin, Ireland
- **Prof Leo Donnan**, Paediatric and Limb Reconstruction Orthopaedic Surgeon, Melbourne, Australia
- **Jean-Marc Guichet,** Paediatric Orthopaedic Surgeon, Milan, Italy and London, UK
- **Reid Nichols**, Orthopaedic Surgeon, Thomas Jefferson University, Delaware, USA

They join national faculty drawn from centres across the UK as shown on the programme.

SUBMIT YOUR WORK
Free paper and poster sessions run throughout, and the Best of the Best session on Thursday will showcase the strongest submitted work from both specialties. Whether you are a consultant, a trainee presenting for the first time, an allied health professional or a researcher, this is a meeting built to give your work a national audience and to give you the feedback that improves it.
Abstract submission opens on 9th November 2026 and closes on 7th December 2026. Medical Student submissions will remain open until 21st December 2026.

ANNUAL DINNER
Our Annual Dinner on Thursday 11th March offers a more relaxed setting to continue the conversation, meet colleagues, make new connections and enjoy the evening at the historic Cutlers' Hall.

JOIN US
Registration opens on 9th November 2026, with early rates available until 13th January 2027. The full programme, abstract submission, registration and hotel booking details are available to view at **www.blrsbscos.com**

Meetings like this do not come round often. We very much hope you will join us in Sheffield.

With best wishes and on behalf of the local organising committee.

COMBINED ANNUAL MEETING

BLRS BSCOS 2027

10th-12th March
Sheffield City Hall

BRITISH LIMB RECONSTRUCTION SOCIETY & BRITISH SOCIETY FOR CHILDREN'S ORTHOPAEDIC SURGERY

Key dates

Abstracts Submission

Open: 9th November 2026

Close: 7th December 2026

Authors notified: 21st December 2026

Study Leave

8 weeks: 13th January 2027

6 weeks: 27th January 2027

Registration

Open: 9th November 2026

Early rates close: 13th January 2027

Mid rates close: 26th February 2027

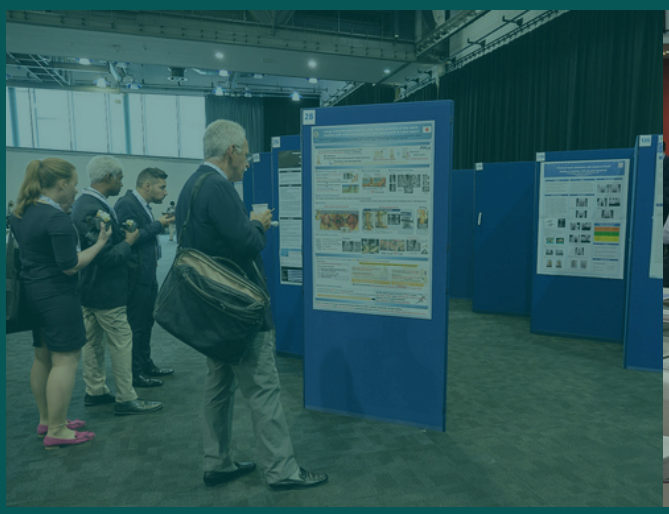

Late rates from: 27th February 2027

Exhibitors

Opportunities released: September 2026

Exhibitor Manual: December 2026

Final logistics: 5th February 2027

SESSION 1: MANAGEMENT OF OPEN FRACTURES

Moderators: Amir Qureshi | Bethan Pincher

0800–0805	Introduction & Housekeeping	**Jonathan McGregor-Riley**
0805-0815	Sheffield Limb Reconstruction - History	**Simon Royston**
0815–0830	Staged approach for 3B open fractures	**Jonathan McGregor-Riley**
0830–0845	Free flaps and internal fixation	**John McArthur**
0845-0900	Frames and Flaps	**Paddy Foster**
0900–0915	Managing Critical Bone Defects, the Bristol Experience	**Mike Kelly**
0915–0930	Compartment syndrome : Current perspectives	**Prof Mitchell Bernstein**
0930–0945	Discussion	**All**
0945-1000	Presidential Address (Outgoing)	**Amir Qureshi**

1000 - 1030 Coffee | Industry Exhibition | Posters - Central & South Halls

Oval Hall

SESSION 2: KEYNOTE LECTURE & BLRS ADULT FREE PAPERS

Moderators: Sarah Phillips | Jonathan McGregor-Riley

1030–1100	**Keynote Lecture:** Limb Deformity Education Delivery in 2027	**Prof Mitchell Bernstein**
1100-1200	BLRS Adult Free Papers x 8 6 minutes presentation each paper followed by 1 minute discussion
